Twelve - Management of magazines:

- 1- Launching the quarterly "African Studies" with the cooperation of some officials of the Ministry of Foreign Affairs. Member of the editorial board of the said magazine and writing some articles in that magazine.

- Director or editor of the following magazines in England:

- 2- "Discourse" magazine in English about the dialogue of religions and civilizations, which was issued monthly for three years.

- 3- "Iqra" magazine: Recite: Quran in Focus in English about the Quran in simple language and with a more general audience in society. This magazine was the first English-language magazine to be published in this way.

- 4- "Open Hearts" magazine in English with the substantial cooperation of other people. The said magazine was published monthly for about three and a half years.

-5- The magazine "Sheoonn Islamiyah" in Arabic, which was published bimonthly for about four years and had a relatively good scientific level.

(It should be noted that various people collaborated in the preparation of these magazines, but the management and final responsibility for the content, as well as the editing of some of them, was my responsibility).

Thirteen- Editing of scientific articles (from English to Persian):

1- Intra- and intercultural diversity in the era of globalization, by Dr. Mira K. Desai, translated by Hossein Abdollahi, Imam Sadiq University Research Center Publications, 2006.

2- There are other cases that were not written due to brevity.

Fourteen- Scientific-Research Articles (Persian):

1- Bashir, Hassan (2008) "New Semantics of Communication: Laying the Groundwork for a Deeper Understanding of the Relationship between Culture and Media", Quarterly Journal of Cultural Research, Institute for Cultural and Social Studies - Ministry of Higher Education, Year 1, Issue 3, Fall, 2008, from 131 to 155, 24 pages.
